CLASS DANCES

Teachers and students are working hard on their dances for the recital. It is important at this point in the year that students make it to classes, and we want them to have confidence in their routines. Keep up the good work.

SNOW DAY POLICY

We are now getting snow and need to be aware of dangerous driving conditions and when we should close the studio. We do not necessarily close if the schools are closed. We base our decision to close on the weather conditions closer to the time the studio will hold classes. When the schools close because of a snow day please go to our website: www.riverrhythmsdance.com and click the face book icon. This will bring you to our face book page where we will have up to date studio closing information. The decision to close the studio will be made by 2:30 p.m. If you are unable to get to a computer, please call the studio and the information will be on the answering machine. We will also post cancellations on News Channel 9. Often times the snow lets up and the roads are cleared and we will still hold lessons.
