

MARCH 2016

PICTURE WEEK

RRDC Yearbook Photography from March 21 - 24

Burton-Sage Photography & Videography will be taking our pictures for picture week and our yearbook this year. From Monday, March 21, through Thursday, March 24 group pictures will be taken with dancers in their costumes for our annual yearbook. All groups with a routine in the recital will have their pictures taken. There is no cost for this session. If you are interested in purchasing a print of a group photo there is a cost and a price list will be available the day pictures are taken. Please make sure that you have the correct dance shoes, tights, and hair style that was chosen for your child's class. All of this information will be posted at the studio in the costume binder that is located on the front desk. If you have any questions ask your child's dance teacher or someone at the front desk.

Each class will be allotted a time slot in which they will have their class pictures taken. The picture schedule will be posted on the classroom doors. Please double check what time your class is scheduled for pictures. Please be on time, with your hair and make-up done and ready to get pictures taken. Classes for recreational students will not be held this week. After students get their pictures taken their teacher will take them to their classroom to perform their routine once in their costume and then they are free to go home. Competition students will have classes this week.

During the allotted time posted, dancers will also be able to take optional solo, duet and trio pictures for a sitting fee of \$15.00 per costume, which must be paid at the time of the pictures. BUT, you will receive a \$20.00 credit for every sitting fee you pay.

All photos will be available for purchase at your convenience at a website to be provided by the photographer at the time of the sittings.
