

RHYTHM DANCERS PROGRAM

Level 2, Ages 8-9

Our Rhythm Dancers Program at River Rhythms Dance Center is split in to levels based on the age of the dancer as well as their developmental ability. For the most part a child's physical development and maturity develops with age so this is why classes are typically split by age level. In the circumstance that a child may be more advanced than their class placement the teacher will approach the parent about moving their child in to a different class that will best meet the needs of that dancer.

Costume Fee—Due by October 30th Tap/Jazz (one combination costume) \$70.00 Musical Theater \$70.000, Hip Hop \$70.00

The costume fee is due so early in the year because costume companies get many orders from all over the country. We have to order our costumes early to ensure we receive them for picture week. We measure the kids and include room to grow when selecting the appropriate size.
